I would like to present a Poster

If you intend to present a Poster, please enclose a file with Title, Authors, Affiliations and a preliminary Summary, not exceeding 200 words. Poster submission is subject to the approval by the Workshop Directors.

I would like to obtain financial support for students

Financial support can be provided for undergraduated and PhD students, and will be subject to the approval by the Workshop Directors. Please answer "Yes" only if financial support would be crucial for your participation. You will be contacted for further information: expect the request of at least one recommendation letter.

Further communications to the organizers (need of special meals, physical disabilities, etc.)

Fill this form and send it to info@climateandpopulations.it

After this registration form is received, you will be sent an e-mail with payment details.
